

Dusty Melodics & Hooks 2

Ableton 9 Instrument Rack

Fire up our racks and instantly create lo-fi and jazz-inspired progressions with our bespoke chord instrument, exclusive to this release. Push-ready and loaded with modern takes on classic FX, switch between 54 dusty melodics on the fly and instantly tailor them to your production. Details below.

Editing Tools

- Sample Select** Switch between 54 melodic one shots on the fly, key mapped and playable across the keyboard.
- Filter** A 12-db low pass filter run to soften and darken your sound.
- Intensity** Add some heat and width with PRD filter drive, filter resonance and stereo width.
- Tremolo / Vibrato** Dual effect macro, 1 to 64 activates a tremolo effect. 65 to 127 adds a Vibrato effect. At 0 no effect is applied.
- Slide** Add some portamento to your sound with our simple Slide control.
- ADS Controls** Take control of your transients with Attack, Decay and Sustain.

Processing Tools

- HPF / LPF** Use these clean 2-pole filters to focus and hone your sound.
- Dirt** Add warmth and saturation with our advanced distortion rack.
- Spatial** Dial in width and stereo separation with a custom stereo processor.
- Delay** Add some tripped out delay with our techno-inspired delay line.
- Reverb** Add a custom reverb tail with our quad reverb rack.
- Vinyl** Add vinyl crackle and warmth with our Vinyl control.

Please note: The above racks require Ableton Live 9.7.7 or newer. These racks are compatible with Ableton Live 9 Standard and Suite editions. The Instrument Racks and FX are found in the one shot folders.
