

# Sleazy Beats 2

## Ableton 9 Instrument Racks

Get sleazy with our Push-ready Instrument Racks and instantly create cosmic and jazzy progressions in seconds. Packed with modern takes on classic FX, this rack allows you to switch between bass or melodic one shots on the fly and instantly tailor them to your production. Further details below.

### Editing Tools

- Sample Select** Switch between key mapped one shots on the fly, playable across the keyboard.
- Filter** A 12-db low pass filter run to soften and darken your sound.
- Intensity** Crank intensity and transform your sound. Add OSR circuit filter drive, a hint of FM and stereo width (melodic shots only).
- Pluck** Add some movement to your sound with some filter resonance and filter envelope. Use with the **Filter** for maximum effect.
- Slide** Add some portamento and pitch bend to your sound with Slide.
- ADS Controls** Take control of your transients with Attack, Decay and Sustain.

### Processing Tools

- Deepen** Add an extra dimension to your low end with Deepen.
- Excite** Add a touch of sparkle and detail to your sound with Excite.
- Clarity** Dial in some Clarity using this bespoke EQ and saturation rack, based on classic tube EQs.
- HPF & LPF** Use these clean 2-pole filters to refine and clean your sound.
- Hall** Add ambience with our custom dark hall reverb.
- Glucose** Squash, squeeze and beef up your sound with Glucose.

**Please note:** The included instruments require Ableton Live 9.7.7 or newer. These racks are compatible with Ableton Live Standard and Suite. FX Patches can be found in the "ableton fx patches" folder. The Instrument racks and projects can be found in the bass and melodic one shot folders.
