

Fehrplay: Parallel Sounds

Ableton 9 Instrument Racks

Fire up our multi-sampled instrument racks for bass and synth one shots and instantly create bruising basslines and euphoric synth lines. Loaded with modern takes on classic FX, these racks allow you to switch between one shots on the fly and instantly tailor them to your production.

Editing Tools

- Sample Select** Switch between key mapped one shots on the fly, playable across the keyboard.
- Filter** A 12-db low pass filter run to soften and darken your sound.
- Intensity** Crank the intensity and add heat. Add PRD circuit filter drive, a hint of FM and pitch envelope.
- Pluck** Add some bite to your sound with some filter resonance and filter envelope. Use with the Filter for maximum effect.
- Slide** Add some portamento to your sound with our simple Slide control.
- ADS Controls** Take control of your transients with Attack, Decay and Sustain.

Processing Tools

- HPF & LPF** Use these clean 2-pole filters to refine and hone your sound.
- Clarity** Dial in some Clarity using our bespoke EQ and saturation rack.
- Excite** Add a touch of sparkle and detail to your sound with Excite.
- Vapour** Dial in a high-end mist with this Reverb and HPF combination.
- Delay** Add some tripped out delay with our techno inspired delay line.
- Glucose** Squash, squeeze and beef up your sound with Glucose.

Please note: The included instruments require Ableton Live 9.7.7 or newer. These racks are compatible with Ableton Live Standard and Suite. The included Instrument racks, projects and fx patches can be found in the bass and synth one shot folders.
