

Half Time D&B 2

Ableton Bass Instrument Rack

Fire up our bass instrument rack and start filthy bass lines in seconds. Packed with modern takes on classic FX, these racks allow you to switch between all of the included one shots on the fly and instantly tailor them to your production. Details below.

Editing Tools

- Sample Select** Switch between key mapped one shots on the fly, playable across the keyboard.
- Filter** A 12-db/oct PRD low pass filter to soften highs and emphasise low end.
- Intensity** Crank intensity and transform your sound. Add PRD circuit filter drive, stereo width, pitch envelope and frequency modulation.
- Pluck** Add some bite to your sound with some filter resonance and filter envelope. Use with the Filter for maximum effect.
- Slide** Add some portamento to your sound with our simple Slide control.
- ADS Controls** Take control of your transients with Attack, Decay and Sustain.

Processing Tools

- Dirt** Add warmth and saturation with our advanced distortion rack.
- Clarity** Dial in some Clarity using this bespoke EQ and saturation rack, based on classic tube EQs.
- Phaser & Chorus** Add some separation and width to your sound with our bespoke Phaser and Chorus modules.
- Flutter** Dial in some instability and width with Flutter.
- Delay** Add some tripped out delay with our techno inspired delay line.
- Space** From subtle and smooth to aggressive and metallic, add an extra dimension to your sound with our Space reverb module.

Please note: The included instruments require Ableton Live 9.7.7 or newer and are compatible with Ableton Live Standard and Suite. FX Patches can be found in the "ableton fx patches" folder. The Ableton Instrument Racks and FX Patches can be found inside the Bass Shots folder.
